WEBWORK HOMEWORK

WeBWorK Homework will be done online at <http://www.math.msu.edu/webwork>. There is a \$39.99 WeBWorK fee that must be paid. Instructions for payment and payment due date are available on the WeBWorK website.

WeBWorK homework due dates can be found on the WeBWorK website next to each assignment for its actual due date. Homework assignments submitted up to 24 hours after the 100% deadline will be worth 75%. View the WeBWorK tutorial. Start working on WeBWorK homework for each section immediately after that section is covered.

In addition to the WeBWorK homework there is a special WeBWorK assignment: The **Prior to Drop Date Student Assessment**. This assignment is counted towards the 10%, similar to any other WeBWorK homework. However, these assignments are designed to help you determine if you should stay in MTH 234. The **Prior to Drop Date Student Assessment** is due just before the drop date with 100% refund.

QUIZZES AND EXAMS:

There will be up to 14 weekly in-class quizzes throughout the semester. Your instructor will announce your section's quiz dates/schedule in class. The two lowest quiz scores will be dropped and the remaining will be scaled to 20% of your final grade. Exams are scheduled for **Monday October 9th** and **Monday November 20th** during **7:45 PM - 9:15 PM**. The location of the exams will be posted [HERE](#) when available.

Grading: If you suspect a quiz or exam has been incorrectly graded please return it to your instructor within one week of receiving it back. After this no grade changes can be made.

COMMON FINAL EXAM:

The Final Exam is scheduled for: *Monday, December 11th, 10:00 AM - 12:00 PM*.

The location of the final exam will be announced in class at a later date and will be posted [HERE](#) when it is available. All students are required to take the Common Final Exam. The university has strict requirements for exceptions. The dates for the exams are fixed. The final exam is cumulative. The exam will be closed book and closed note. Note that travel is not a sufficient excuse to have an exam scheduled on a different day.

COURSE GRADING:

Your course grade will be based on:

WeBWork	Quizzes	Exam 1	Exam 2	Final Exam	TOTAL
10%	20%	20%	20%	30%	100%

In addition, you must take the final examination in order to pass the course.

Final grades will be determined by:

4.0 Grade	0.0	1.0	1.5	2.0	2.5	3.0	3.5	4.0
% Grade	[0,55)	[55,60)	[60,65)	[65,73)	[73,80)	[80,85)	[85,90)	[90,100]

This scale may be curved throughout the semester to be more lenient. Such a curve is at the discretion of the calculus coordinator and instructor.
