

Welcome to Math 234! Below you can find important information about our course. Feel free to email me (the instructor) or your TA with any questions you have. I prefer to be addressed by Max or Maxim, but please address me by whatever makes you feel most comfortable.

CLASS MEETING SCHEDULE:

Section	Name	Position	Class Location	Class Times / Dates
001	Maxim Gilula	Instructor	B119 Wells Hall	MWF 9:10-10:00am
001	Stephan Burton	Recitation Leader	C101 WON	Th 9:10-10:00am

A tentative schedule can be found [HERE](#), which includes class topics and more.

OFFICE HOURS/EMAILS:

Section	Name	Email	Office Location	Office Hours
001	Maxim Gilula	gilulama@math.msu.edu	C320 WH	M 3-4pm and WF 10-11am
001	Stephan Burton	burtions8@msu.edu	C520 WH	Th 10:20-11:20am

In addition to the set office hours you may email any the instructor/recitation leaders to setup a separate appointment. You are encouraged to come to office hours and go to the Math Learning Center.

SUPPLIES:

TEXTBOOK:

[Custom MSU MTH 234 Calculus III](#),
 Author: Stewart,
 ISBN-13: 978-1-305-51389-1

CALCULATOR:

No calculators are required or allowed in this class.

WEBWORK HOMEWORK

WeBWorK Homework will be done online at <http://www.math.msu.edu/webwork>. There is a \$40 WeBWorK fee that must be paid by February 3rd. Do not pay until you are sure you will stay in the class because unfortunately they do not give refunds for WeBWork. Instructions for payment and payment due date are available on the WeBWorK website.

WeBWorK homework due dates can be found on the WeBWorK website next to each assignment for its actual due date. Homework assignments submitted up to 24 hours after the 100% deadline will be worth 75%. View the WeBWorK tutorial. Start working on WeBWorK homework for each section immediately after that section is covered.

In addition to the WeBWorK homework there is a special WeBWorK assignment: The **Prior to Drop Date Student Assessment**. This assignment is counted towards the 10%, similar to any other WeBWorK homework. However, these assignments are designed to help you determine if you should stay in MTH 234. The **Prior to Drop Date Student Assessment** is due just before the drop date with 100% refund.

QUIZZES AND EXAMS:

There will be up to 14 weekly in-class quizzes throughout the semester. I will announce your section's quiz dates/schedule in class. The two lowest quiz scores will be dropped and the remaining will be scaled to 20% of your final grade. Exams are scheduled for **Monday February 20th** and **Monday April 10th** during **7:45 PM - 9:15 PM**. The location of the exams will be posted [HERE](#) when available.

Grading: If you suspect a quiz or exam has been incorrectly graded please return it to me within one week of receiving it back. After this no grade changes can be made.

COMMON FINAL EXAM:

The Final Exam is scheduled for: **Tuesday, May 2nd, 10:00 AM - 12:00 PM**.

The location of the final exam will be announced in class at a later date and will be posted [HERE](#) when it is available. All students are required to take the Common Final Exam. The university has strict requirements for exceptions. The dates for the exams are fixed. The final exam is cumulative. The exam will be closed book and closed note. Travel is not a sufficient excuse to have an exam scheduled on a different day.

COURSE GRADING:

Your course grade will be based on:

WebWork	Quizzes	Exam 1	Exam 2	Final Exam	TOTAL
10%	20%	20%	20%	30%	100%

In addition, you must take the final examination in order to pass the course.

Final grades will be determined by:

4.0 Grade	0.0	1.0	1.5	2.0	2.5	3.0	3.5	4.0
% Grade	[0,55)	[55,60)	[60,65)	[65,73)	[73,80)	[80,85)	[85,90)	[90,100]

This scale may be curved throughout the semester to be more lenient. Such a curve is at the discretion of the calculus coordinator and instructor.
