TEXTBOOK/ONLINE RESOURCE:
2. The online resource for homework will be WeBWorK: [www.math.msu.edu/webwork](http://www.math.msu.edu/webwork)

CALCULATOR: We will not be using calculators during quizzes or exams. You may use any calculator you wish for homework.

ATTENDANCE: Students are expected to be present and ON TIME for all class sessions. You are responsible for the material covered if you are absent from class. You must arrange to copy another student’s notes.

Beginning Monday July 13, 2015 through Monday August 17, 2015, class attendance will be taken. You will be allowed three unexcused absences in this time period. Note: Four days of being tardy count as an unexcused absence. Any additional unexcused absences will result in a point deduction (for each) from your course grade.

EXAMS/QUIZZES: There will be three cumulative exams and six quizzes. Please see course schedule for the TENTATIVE testing dates. Any changes in the syllabus or in the scheduling of exams/ quizzes will be announced during class. Each exam will cover the material presented in class after the previous exam. Each quiz will cover the material presented in class after the previous exam/quiz. The five highest quiz grades will count toward the course grade. There will be NO early, late or make-up exams or quizzes (the only exceptions are those required by University policy). A missed exam or quiz will count as a 0.0. Only EXTREME situations will allow a student to be excused from an exam/quiz. Note: Written documentation MUST accompany an excused absence for a quiz/exam. ADVANCE TRAVEL SCHEDULES (business or personal) are NOT excuses.

FINAL EXAM: The final exam will be August 19, 2015 during normal class time.
**PARTICIPATION:** Participation points should be a positive aspect of the learning environment. Participation includes promptness, preparation, answering questions, asking pertinent questions, and being active in class discussions. Loss of these points comes from dysfunctional behavior such as chronic tardiness and absenteeism, superfluous talking, a negative attitude, lack of classroom decorum, etc.

**HOMEWORK:** There will be online homework assignments using WeBWorK. The student must keep track of the university due dates for WeBWorK. Even though the 30 assignments appear to have different point values, WeBWorK will be taken out of 100 points at the end of the semester. These assignments will be evaluated as a portion of the final grade. The cost for WeBWorK with the class notes is $40, paid to the MSU Mathematics Department.

**MATH LEARNING CENTER (MLC):**
[https://www.math.msu.edu/mlc/](https://www.math.msu.edu/mlc/)
The Math Learning Center (MLC) opens Monday, July 6 at 4:00 PM.

Go to the window in the lobby of Wells Hall C-Wing near the elevators and sign in with your MSU ID card. A monitor will direct you to the room for your math class. There are also neighborhood centers. The MLC provides assistance for students in Math 1825, all 100 level math courses, 234 and 235. In addition, limited help is available for other 200 level and 300 level math classes. During the summer session B, the weekly hours for Wells Hall MLC are:

- Monday and Wednesday: 4:00 p.m. - 7:30 p.m.
- Tuesday and Thursday: 1:40 p.m. - 5:10 p.m.
- Online tutoring Monday - Thursday: 7:00 p.m. - 9:00 p.m. (For this, go to the MLC page above.)

**GRADE CHANGE:** If you have any questions concerning the grading of your assignments, you must return the assignment with a short note attached, explaining your concern **BEFORE LEAVING** the classroom. **This must be done the initial day the instructor hands back the assignment.**

**ACADEMIC INTEGRITY:** Michigan State University's policy concerning academic integrity is: no student will claim or submit the work of another as one's own. Students are advised to read this policy, which is available at:

[https://www.msu.edu/unit/ombud/academic-integrity/](https://www.msu.edu/unit/ombud/academic-integrity/)

under the heading 1.00 *Protection of Scholarship and Grades.* In addition, unauthorized
formula or crib sheets (including formulas programmed in calculator/cell phone) are not permitted on quizzes/exams.

**EVALUATION:** Course evaluation will be according to the following.

- Exams (3) 30%
- Final Exam 30%
- WebWork 10%
- Quizzes (Best 5 out of 6) 25%
- Attendance and Participation 5%

The course grade will be based on the following scale:
