Directions. Please work on the problems below. Your solutions must begin with a clear statement of the problem, followed by a clear, legible solution (or partial progress towards a solution). Please refer to the syllabus for the policy on grading and late homework.

Collaboration. I encourage you to discuss the homework problems with your classmates. However, each student must submit his or her own homework solutions. In particular, you are welcome to discuss any of the problems online on our Google Groups discussion forum.

1. Complete part (b) for each of the problems on Homework # 2.
2. Matching: Solve exercises # 1 - 12 in section 9.6 of the textbook. (Answers to the odd numbered problems are in the back.)
5. Solve exercise # 38 in section 9.6.
