How to Register for your ALEKS Class

Step 1: Go to www.aleks.com and click on SIGN UP NOW! just below the Registered Users box.
How to Register for your ALEKS Class

Step 2: Enter the 10-character class code and click on Continue. Your course code can be found in D2L and on your section’s class page at www.math.msu.edu/classpages

Step 3-4: Verify your enrollment information to make sure you are in the right class, and then indicate whether you have used ALEKS before.
How to Register for your ALEKS Class

Step 5: Enter your 20-character ALEKS Access Code. If you do not have an access code via a textbook bundle, you can purchase one online by clicking purchase an access code online.

Step 6: If you are new to ALEKS, then complete the registration steps to create an ALEKS account. Use your university e-mail address as your forwarding e-mail. If you are an existing ALEKS student, simply verify your email address.
Help and Resources

ALEKS offers extra resources to help students get started on the right track. To take advantage, visit: www.aleks.com/highered/math/student_resources

If you ever need help or have questions, contact ALEKS Technical Support:
