First Login to WeBWorK

1. Go to the **WeBWorK Student Help Page**.
2. Use your PID number (A********) and MSU Net ID to enter the WeBWorK Help Page.
3. In the WeBWorK Help Page you see a link to your WeBWorK Homework Problems.
   - **Do not click there yet**.
4. First set a password for your WeBWorK Account. Click on **Password Reset**.
   - This sets a new, random, password to your WeBWorK Account.
   - This password is sent to your MSU email.
   - On times of heavy email use (beginning of the semester) this email can take up to 30 minutes to reach you.
   - Wait for the email, **DO NOT** click **Password Reset** again.
     - If you click **Password Reset** again it will reset your password a second time and you will need to wait for the second email.
5. Once you get the password by email, click on the link to your WeBWorK Homework Problems.
   - Login using your MSU Net ID and the password you received by email.
   - You should **bookmark this page** so that you can find it again easily.
   - Now you should change your WeBWorK password to something of your choice.
     - On the Home Screen of your WeBWorK Account, go to the Menu on the left, and click on **Password/Email**.
     - Type the old password (from the email), and then the new password of your choice. Click on **Change User Options**.
     - Go back to the Home Screen by clicking on **Homework Sets**.
6. **Now you are ready to start your homework**.
