## Getting Started - Course Finder

1. If you don't have a class section URL from your instructor, begin by navigating to [www.wileyplus.com](http://www.wileyplus.com) and click Get Started in the Students section of the homepage. The Course Finder page will display.

The screenshot shows the WileyPLUS homepage. At the top is the WileyPLUS logo. To the right of the logo is a 'LOGIN' section with fields for 'E-mail Address' and 'Password', and a 'Login' button. Below the login fields is a link for 'Forgot password?'. To the right of the login fields is a 'United States' location selector with a 'Change Location' link. Below the login section is a navigation bar with links for 'Home', 'Course Catalog', 'About', and 'Resources & Support'. Below the navigation bar is a 'Find Your Class' section with a text input field labeled 'Enter your school name:' and a 'Find' button. The input field contains the text 'Example: Louisiana State'. Below the input field is a link for 'Need Help?'.

2. Enter school name in the search field, click the name of your school when it appears and click Find.
3. Here you have the ability to search for your class section by course or instructor.
4. Once you find your course in the list, click the Plus sign next to the course name. Next you'll see a list of class section names, along with assigned instructors.
5. To choose the class for which you would like to register, click the green Select button. Some instructors have multiple sections, so be sure to choose the correct section number.
6. If you have used WileyPLUS for MTH 124 in a previous semester and already have an account, enter e-mail address and password and click log in. If you do not have a WileyPLUS account, click Create Account.
