Troops and Venture Crew will have the opportunity to select a foreign country that they will represent.

They must:

- A. Plan and run a game from that country and make a suitable award to present to winner.**
- B. Make a flag to identify their campsite, using the flag of the foreign country.**
- C. Have their menu for Saturday evening meal that would be served from their country and have a guest for dinner.**

All camp improvements will be done on Saturday, before lunch. We will be exchanging Scoutmasters for the day, so that the Scouts will be evaluated on what gets done.

Games will be run after lunch.
