

Patrol Leaders Council
June 27, 2006

Attendance: Nathan Truelove, Michael Welch, Henry Pacheco, RoxeAnn Welch, Joe Walsh, Donna Cunningham, Gary Cunningham

7:00 Called to order by Nathan Truelove

7:05 Nathan read the minutes form the PLC of May 23. Accepted without revision

7:10 Reviewed recent activities:

Court of Honor was not attended by parents. Troop utilized the opportunity to practice conducting a Court of Honor. This was good experience for the Troop. Recommend for future Courts that we improve communication with parents with personal calls or handwritten notes from boys mailed to parents.

Bottle drive had 5 scouts participating. Martin and Michael Welch, Nathan Truelove, Xavier Weaver, Michael Hannah. Adults were Joe Walsh and RoxeAnn Welch. The drive collected \$147.00. The area north of the church was solicited during the drive. It was a good location but not large enough for the time allotted. Most of the collections were in the morning. It is suggested that in the future, we expand the collection area to do one area in the morning and a separate area in the afternoon.
