**RESPONDERS' COMMENTS FOR MTH 299 006 (FS16)**

**Question 16: Would you recommend this instructor to another student? Comments on your classroom experience, the instructor's teaching style, and course materials are very helpful.**

- Make the grading easier to understand. I had no sense of where my grade was because of weird weights on grades with a weird way of making a curve.
  - nope
  - Reshma was great. I loved that we got to work in groups and bounce ideas off each other.
  - Resma is an amazing professor! She is clear, concise, and incredibly knowledgeable.
  - The material is rather dull, but the instructor's willingness to talk to us on our level was very refreshing.
  - Yes
  - Yes, she is very engaging and wants to make sure that the students understood the material before moving on to another topic. The small classroom size was helpful because she was able to help students in smaller groups.
  - Yes. The actual course content is pretty challenging, but the instructor made it as painless as possible
