RESPONDERS' COMMENTS FOR MTH 317H 001 (FS18)

Question 16: Would you recommend this instructor to another student? Comments on your classroom experience, the instructor's teaching style, and course materials are very helpful.

- I would surely recommend Reshma as an instructor to a fellow student; Reshma always planned her lessons thoughtfully ahead of time, and knew the content inside and out -- thus, she was always able to answer questions regarding the material on the spot. Furthermore, she brought a teaching style that was slightly different than Dr. Wald's, so the course was well-balanced in emphasis and delivery between the two instructors.
 - Of the TA's I had this semester, Reshma was the most enthusiastic, knowledgeable, and personable. She really put a lot into this semester and recitation felt every bit as rewarding as regular class.
 - RESHMA IS AWESOME!!! She is extremely knowledgeable and came to class prepared to answer our firestorm of questions. Going through the examples in class was extremely helpful, and I only wish that we could have seen Reshma more throughout the semester (in class)!
 - solid recitation instructor who provided an effective overview of course material
 - Yep. Not quite theoretical enough for my liking, but well-taught nevertheless.
 - yes
 - Yes, she did notes in a very linear manner and explained things well. Lots of examples of what we had learned in lecture.
 - Yes. Reshma was friendly and made the class interesting. She did a very good job of presenting course material
