

MATH 133, Sec061 – CALCULUS II, Fall17

V 8/28/2016

Instructor: **Shiwen Zhang**

Office: Wells Hall C320

Email: zhangshiwen@math.msu.edu

Office Hours: TBD (See updates on course webpage)

Lecture: M, W, F, 11:30am-12:20pm in Wells Hall A128

Recitation TA: Nicholas Ovenhouse

Room: Wells Hall A224; Hours: Tu, 11:30am-12:20pm

Textbook: [Calculus 7th Ed, Special version for MTH 133](#) by James Stewart

MSU Lecutre Notes corresponding to James Stewart's Calculus can be

found at <http://users.math.msu.edu/users/magyar/Math133/>

Sec 61 Course Webpage:

<http://users.math.msu.edu/users/zhangshiwen/f17/133f17.html>

MTH 133 Common Webpage: https://www.math.msu.edu/classes/mth_133/

Grades: Webwork: 10%; Surveys: 2%; Quizzes: 18%; Midterms: 40% (20% each); Final: 30%

WeBWork: WeBWork is an internet-based system of homework problems similar to the problems found in the text at the end of each section. Assignments can be found at <https://www.math.msu.edu/webwork>. Details and Due dates for webwork: TBA (Please pay more attention to each assignment on the WeBWorK website for its actual due date.).

Quizzes: There will be a quiz most weeks during recitation section on Tue. Quizzes will begin on Sep 5th. There will be totally 12 quizzes. Two lowest scores will be dropped. No make-up quizzes.

Exams: There will be TWO MIDTERMS and one COMMON FINAL. These are scheduled as follows

Mid1: Wednesday October 11th, Sec 5.2, 5.4, 6.1 - 7.8, 9.3

Mid2: Wednesday November 15th, Sec 8.1, 11.1 - 11.11

Final: Monday, December 11th, ALL Sections

The final is ACCUMULATED, the two midterms are NOT.

These exams will be common across all Math 133 sections. More information on exams can be found at

https://www.math.msu.edu/classes/mth_133/uniform_exams/content.aspx.

Extra practices/reviews:

Some practice quizzes/exams will also be released during lectures, or via email occasionally. Although they will not be collected, it is highly recommended that you do it in order to do well in this course. I will hold extra review sessions before the two midterms and the final. Time and place will be announced when the exams are approaching.

MATH 133, Sec061 – CALCULUS II, Fall17

V 8/28/2016

Make-up Policy: Details can be found in https://www.math.msu.edu/classes/mth_133/syllabus/attendance_policies.aspx, which I am also including here.

Policy For Missing a Required Assignment

- **WeBWorK**
 - No make-ups will be given for any WeBWorK assignments.
 - No WeBWorK assignments will be dropped.
 - It is your responsibility to complete assignments as early as possible to avoid potential incidents.
 - In extreme situations such as: university sanctioned event, religious holidays, military obligation, or late add WeBWorK due dates may be extended. This is at the discretion of the instructor.
- **Quizzes**
 - Typically no make-ups will be given for quizzes. Wedding/sickness/work/death in the family/etc. are accounted for in the two dropped quizzes.
 - Exceptions to this rule include: university sanctioned events, religious holidays, military obligation, or late add. In these cases the instructor and student will work together to decide between a make-up quiz or to drop the quiz from the students grade calculation (whichever seems most appropriate for the situation).
- **Exams**
 - Typically a missed exam will be counted as a 0, including the final exam.
 - The exam dates and times have been displayed since the beginning of the semester, therefore excuses such as: work, travel, etc. are not valid reasons for missing the exam.
 - A make-up Exam is available the day after the exam, **7:15AM – 8:45AM, in B122 Wells Hall**. In order to be eligible for the make-up exam the student must provide documentation to the instructor no later than 1 week before the exam date. **Make-up requests with less than 1 weeks notice may be turned down.** Valid reasons to take the make-up include:
 - medical emergency,
 - university sanctioned event (including class at that time),
 - religious holidays,
 - military obligation,
 - or late add.
